

Brian Ward Marine Equipment is based at the Brundall Station along the Wherry Line.

Supplying marine parts and boating equipment, we are open from 8am - 6pm Monday - Friday, 8am - 5pm Saturdays in Summer and 8am - 3pm Saturdays in Winter.

Check out our website for further information www.brianwards.co.uk and also to see our on-line shop.

We stock thousands of products and alongside many boating items we also stock a large range of hardware, electrical and lighting products.

We are working with the Wherry Lines this year to tidy and improve Brundall station.

Keep up to date by following Brian Ward Marine and The Wherry Lines on Facebook.

Our location close to the water, railway and A47 gives great access with free parking right outside.
